

8 FEBRUARI

STOCKHOLM VETERAN OPEN

Welcome to the first edition of Stockholm Veteran Open, a yearly competition for all veterans 40+ or older on sabre, foil and epee.

The competition format is decided based on number of entries. A priority is that all fencers should fence many bouts, regardless of the number of entries in the specific class. Be prepared for part of the competition to be men and women mixed, as well as across age categories.
