Recognised at the National Championships this year

On the front page is your Gold medal. In the same ceremony Dave Sweeney was presented with a personal Gold. This was for his vision and tenacity in bringing the Bath World Championships to a great conclusion.

Pat Casey, a great help in all our competitions, was awarded a Silver medal for the work she carries out for British Fencing in her capacity as a referee. Pat continues to give her time to Veterans. Thanks Pat and well done.

ENGLAND NEWS

England haul - 58 medals

At the Commonwealth Veterans Championships in Toronto the England team brought home 58 medals of assorted colours. From a squad of 22 that represents an excellent all round performance. Detailed results elsewhere.

Individual gold went to Brian Causton in the men's foil and Jane Hutchison in the women's sabre. Age group gold to Brian Causton, Alan Ault, Sylvia Brown (2), Lynne Bornemisza, Richard Sweatman, Connie Adam, Sue Benney, and Andy Bornemisza. In the team events we collected 3 gold at men's sabre and women's foil and sabre; 2 silver at women's épée and foil; 4 bronze at men's foil and épée and women's épée and sabre.

The event was well run by the Canadians and everyone had plenty of fencing in an excellent venue. The team was well turned out and looked good in their new polo tops. The whole team performed well, but there are two performances I would like to single out beyond the individual winners, Brian and Jane. The results of the women's team were outstanding. They supported each other and swept almost everyone away at all levels. The other was seeing Alan Ault perform in the team sabre. At over 70 and fencing alongside experienced Richard and Andy, he more than held his own winning fights beyond his expectation. At the meal that evening we had to keep fetching him down from the ceiling!

Well done to everyone and let's have more men next time.

Future event:

Home Quadrangular – 26/27 January 2008 in Manchester.

AMAZING WHAT A GOOD BATH CAN DO!

Over the weekend of 16th/17th June John Mason organised the Unisex Foil & Sabre Competition and this year saw an added bonus for those attending in the form of a Sports Psychology Lecture for Fencers presented by Professor Jonathan Katz.

The 2 - hour lecture provided us with a really useful insight and ideas to apply to our fencing, so there will be some 14 fencers who attended now viewing their game, and opponents, from a different perspective.

Jonathan also ran a personal performance course for foil and sabre over the weekend, and although numbers for the whole weekend were low, it was a most enjoyable two days packed with everything a fencer could need from mind to body (and tummy if one includes the excellent "All you can Eat" Chinese meal on the Saturday night).

Spanish Arm – ada?

Out of the blue last week, I received an email from the Spanish Veterans Board asking for details of the Vets Team Challenge in Loughborough on October 7th, and it transpires that Hilary Arnold received one from them enquiring about the Unisex Epée being held the weekend before Loughborough.

Seems that our Spanish colleagues are planning an invasion for a week, which will be an added bonus for those taking part in either or both events. I know that Hilary is already planning to organise a team match with them should they come over.

Watch this space!
