Fencing Armigerous Style!

NEWS June 2008

The sword is the most noble of all arms, and is used by knights, by learned men, and by the armigerous; whence they make nature marvel that, with a piece of steel, a man may defend his person from any blow which might be aimed at him, either with the point or the edge, with the formation of angles, lines, circles, and with time and measure.

VETERANS WINTON CUP COMPETITION 2008

Competition Rules

1. Entry is open to geographical regions; specified by the NVA.
2. All competitors must be at least 40 years of age at the date of the start of the competition and must be **both** NVA and British Fencing members. All fencers must be aware of the BFA guidelines on equipment and these are mandatory for all fencers at this event. For further details of these, [visit the BFA website](#).
3. Each team will comprise a minimum of 3 fencers at each of the 6 weapons of MF, WF, ME, WE, MS and WS. A fourth fencer may be selected as substitute if that substitute is entered on the poule sheet at the start of a match.
4. Doubling up weapons is NOT permissible.
5. The competition will be fenced between teams of 3 in matches. During the weekend each team will fence all other teams, with each fight to 5 hits to determine the winner and each fight for a maximum duration of 3 minutes of fencing time.
6. If the score is equal at time in any fight the priority rule will apply.
7. All matches will be fought to a conclusion of 9 fights.
9. Any fencer missing from a team will concede victories to the opposing team 5-0.
10. The victorious team is the one with the maximum amount of points at the end of the competition. Points per team will be awarded at the rate of one point for a victory against the whole team, ½ for a draw and 0 for a loss.
If at the conclusion of the competition there is a draw based on points team places will be determined by a count back of victories then hits for and hits against.
11. For a match plan of 9 teams, 6 teams will fence at any one time at any weapon; the other 3 teams MUST provide a referee for the matches occurring.
12. At foil paired spoils will be used. This rule will be strictly imposed to ensure the swift running of the competition.
13. If the referee is late collecting the pool sheet from control three calls will be made at approximately one minute intervals - after which that referee's weapon team may lose a fight in their next match (-1).
14. Weapon entry is limited to those not fencing for GB at that weapon in that calendar year.
15. The organisers reserve the right to amend the rules to ensure the smooth running of the competition.

Wrexham Fencing Club receive 3rd Place in the Sports Club of the Year Awards 2008

Congratulations to Wrexham Fencing Club who received 3rd place in the Sports Club of the Year Awards 2008, run by the Central Council for Physical Recreation (CCPR) in association with the Foundation for Sport and the Arts and Running Sports. They were energetically supported by British Fencing board members Penny Spink MBE and Bob Turner.

Letters to the Editor.:

Hi Linda

Thought I would send you a few photos from the Vets Euro teams comp.

The party was on the Sunday night after the comp when much alcohol flowed. If only you could have heard Jenny Morris trying to talk an understandable language.

A good time was had by all and special thanks to Frank Mills for organising everything including getting the restaurant to open for us on the Sunday night.

Highlights included:

Chicken impressions

Diesel Dykes

Doctor Dick and his forearm smash (poor Frank)

Iron Man

and the Sub-Committee

They will know who they are !!!

Cheers

2009 NVA Age Group Championships Date Change

Due to requests from members and event organisers in the UK, and to assist in the selection process of fencers for events outside of Europe, the date of the Age Group Championships will change from 2009 to the last weekend in January (Saturday 24th & Sunday 25th 2009)

The change will allow more time for selectors and the fencers themselves, to make travel and accommodation arrangements for the World Championships. A further benefit is likely to be a larger attendance at the Age Groups with therefore more fencing and more representative results.
