

NVA News

Dominic Heard, a young photographer, came in off the street and this is how he saw us.

He has 150 plus photos from the foil and epee days at the Nationals on photobucket.

Email me if you are interested in the link where you can view all the photos

YOU ARE INVITED TO - SAN FRANCISCO

Dear Linda:

We are hosting the first ever Senior Games Fencing tournament.

Since it is Demo sport we can invite international fencers as well, see link http://askfred.net/Events/moreInfo.php?tournament_id=7560 to register for the event.

See 2009 Senior Games link <http://www.2009seniorgames.org/index> to learn more about the largest sporting competition in the world.

Thanks I would appreciate it if you could include our tournament on your list of event.

Barbara

PHOTOS PHOTOS PHOTOS PHOTOS

This year we were very lucky to have several photographers taking photos all 3 days.

We have lots to see, email me if you wish to see more of Dominic's from the front page and I will send you the link and password, or look at Colin's at flickr.

VETERANS WINTON CUP 2009
12th 13th SEPTEMBER- LILLESHALL
Important Information

We have reviewed the selection criteria this year and here is the committee's decision :

"All NVA members are eligible to fence, with the following exceptions:

At any weapon at the 2009 National Championships, the winner is not eligible to fence that weapon.

At any weapon at Categories 1, 2 and 3 at the 2009 Age Groups, the winner is not eligible to fence that weapon."

Team Managers will be announced in the next newsletter.

BOBBY WINTON 1914-2009

Bobby Winton's funeral was attended by NVA Chairman Frank Mills and Life President Henry de Silva, as well as many others from the fencing world. Moving tributes were made by friends and family, including his brother Nicky, who stood unaided two months short of his 100th birthday.

Fencing was Bobby's passion and he was to become one of the most influential administrators in the sport's history. He started fencing at Stowe School and then joined Salle Bertrand. During the 1930s Bobby competed at foil and epee under the original family name of Wertheim, which was changed to Winton in 1938. The following year he won the junior epee championship and came third in the British championship.

After the war Bobby and Nicky moved into fencing administration. They felt strongly that the sport needed a competition involving fencers from all over the country. And so they devised the Winton Cup, an inter-section team event that was presented by them in 1950 and continues to this day as the most popular team competition in fencing. The format was extended to include cadet fencers in 1988 and, finally, last year to the veterans. It was wonderful to see Bobby at the Veterans Winton, where he presented the trophy nearly 60 years after the first Winton Cup.

Throughout his long and active life, Bobby worked tirelessly for the development of fencing, serving for over 50 years as a member of the AFA Executive Committee. He also found time to set up the AFA's London Section and played a leading part in establishing competitions for boys in state schools. He was chairman of the Men's Foil Committee from 1961 to 1978 and for over 30 years he was a member of the committee responsible for the Association's financial administration. In short, Bobby helped transform the way the sport was run from an autocratic organisation to a modern democratic structure.

One of his most important roles was in helping the then President of the AFA, Nick Halsted, prepare articles and bylaws to incorporate the Association as a limited company. Nick relied on him enormously, both for the sharpness and precision of thinking he brought to this task and in general terms as a wise advisor, always objective and unpartisan. Nick used to say that Bobby's greatest asset was that he had no axe to grind. This impartiality enabled him to consider every issue on its merits, diplomatically steering people towards the most sensible decisions.

In 1965 Bobby was elected a Vice-President of the AFA. He was awarded the Association's gold medal in 1985 and received the MBE in 1987. The fencing world is much the poorer for his passing.

Malcolm Fare

Bobby Winton remembered

I write this on behalf of the committee who join me in sending our condolences to Heather and the Winton family.

Bobby was close to our association for some time, and we were delighted when he joined with his brother Sir Nicholas, in suggesting that we organise a Veterans Winton Cup in 2008.

It was an immensely successful inaugural event held at Lilleshall in September, and we were delighted that Bobby and Heather were able to join us on the Sunday and present the trophies and, of course, the Veterans Winton Cup.

The welcome given to Bobby and Heather by some 160 veteran fencers participating, was a clear indication of the respect and gratitude owed to Bobby for not only his support of the NVA but also for the role he has played for many years in support of fencing throughout the UK.

The competition was conducted throughout the weekend in the very spirit that Bobby and Sir Nicholas had requested i.e. that veteran fencers at all levels should be encouraged to take part in a friendly and competitive event with the opportunity to socialise with fellow fencers and their families.

We were pleased to be able to give Bobby and Sir Nicholas an album of photographs and pages signed by those who took part, and in thanking us for this, he told us that he felt a particular affinity with the NVA and the members and in the development and growth of veterans fencing in the UK.

Bobby always took a great interest in the activities and plans of the NVA, and he will be greatly missed by us all as a true friend of veterans fencing.

Frank Mills
Chairman, NVA

A selection of other comments- from the website

Thank you for forwarding the sad news of Bobby Winton's passing. I did not know him or the family personally but was aware of his achievements. Please pass on my condolences to the family should you contact them.

Regards
Jamall Nasir

I'm so sorry to hear this very sad news. I will forward this e-mail to my coach Les Jones, who I know will be shocked to hear this sad news. I loved being involved with the vets winton it was such a great weekend and made all the better that he was able to come and present the cup.

Please pass on my condolences to his family and friends.

Kind regards
Lynn Keogh

Thank you for the information from Peter Winton, it is indeed sad news.

The Winton Trophy made a major contribution to British Fencing. I remember with pleasure the times I captained the North West team at the Winton in the 1950/60's

Kind regards,
Les Jones

Thank you for the information on the sad loss of Bobby Winton. There will be very few of us that have not fenced in the Winton cup and for that reason his name will live on. The end of another era.

Regards
Joe Shackell

It's hard to believe that someone who looked so fit and well only a few months ago has passed away. He was a great servant to British Fencing.

Jim Philbin

I am glad that he was so organised as it will make it much easier to give him a deserving obituary.

Although I have known him almost from the beginning of my fencing career and indeed met him more than once in competitions but I believe most of his vast contribution to our sport has been on the administrative side and I will be fascinated to learn more about which I should know.

Regards
Bill Hoskyns

Thanks for your e mail, with the letter from Peter Winton. I didn't know that Bobby had any children and in fact only vaguely remember meeting Heather once when I went round to Bobby's house for something - he lived 5 minutes from where we did.

I had heard from Malcolm Fare with a request for any information on Bobby for an Obituary - I have done so. Bobby was a force in the AFA administration for many years - indeed he got the MBE for it!

All the best
Allan Jay

Thanks so much for sending this on to me. I had known Bobby for longer than I can remember, and I have very fond memories of him, his support and kindness.

I am not able to get to his funeral, but will write to his family. Also send a donation. I am sure there will be a good representation from the Vets.

Regards,
Penny Spink

Bobby Winton

If anyone has any reminisces or indeed anything to say about Bobby Winton, please send it to me and I will add it to the obituary section on the NVA website. I am happy to receive photographs as well.

Crystal Refereeing Day

Stourbridge

09/05/09

Would you like to brush up your skills? This is a 1-day course aimed at people who already referee foil in their club, but who feel that they could improve their standard.

The following day is the new Vets Crystal Open, and anyone who would like to practice their newly-honed refereeing skills would be very welcome.

Entry forms are included with this newsletter, if you receive the printed version, or on the web site.

Our new Domestic Fencing Officer (Peter Baron) sends this reminder

Would you like to be in a team fencing for the Veterans??

Peter is putting together teams of 3 for both the Crystal team competition and the White Horse Team Trophy.

Both competitions are the same format: teams of 3 fencers, one at each weapon, mixed gender.

Please let Peter know as soon as possible if you would like to fence in either competition.

Crystal **Team** 26th April 2009

White Horse Team Trophy 28th June 2009

Peter Baron, 1, Sandringham Road, Stourbridge, DY8 5HN

Phone: 01384 400242 Peter@baronfencing.plus.com
