Wellesbourne Team Trophy 2008

A team of Veterans competed in the 2008 Wellesbourne Team Trophy, held in the Herschel Sports Centre, Slough on 26th October 2008.

The team spirit was high throughout and this helped to boost performance and to make the event more enjoyable.

The result hung in the balance for most of the event but eventually the Vets were finally beaten into second place, in the last bout, by the Civil Service team.

From the Vets team Niall Campbell won the individual Men's Epée medal and Jane Clayton won the individual Women's Epée medal.

It was gratifying that Veterans fencing for other teams also won individual weapon medal; Dawn Townsend, (Civil Service) and Gerry Gajadharsingh, (Wellesbourne) respectively won the Women's and Men's Foil medals.

Dear Members,

What a year so far for the NVA! Our membership has risen to over 432, which is over 5% of fencers in the UK - a significant voice in our sport.

On the international veterans' competition scene, we have had an excellent year. In May, I was privileged as Team Manager, to take the NVA GB Squad to Ciudad Real in Spain where we won a Gold Medal in the Women's Sabre and a Bronze Medal in the Men's Sabre.

At the recent Veterans World Championships, the NVA GB team led by Dave Sweeney as Team Manager topped the medal table with 4 Gold Medals, a Silver Medal and 3 Bronze Medals.

Well done to all the fencers who represented our country in these events, and as always, you brought credit to yourselves and the NVA.

Our new event this year was the Veterans Winton Cup, organised by Linda Lawes and myself in September. The response from members was overwhelming with nearly 160 fencers taking part over the weekend at Lilleshall, a Gala Dinner on the Saturday where over 170 fencers and partners enjoyed an excellent dinner and dance and with Bobby Winton coming up to present the prizes on the Sunday.

You really took this competition to heart and many joined the NVA just to be part of it. Our thanks go to each of the Team Organisers for the work they undertook in getting their teams together, and a special thank you to Linda for the huge amount of work she put in to help make this event such a great success.

Your committee does a great deal during the year, and my thanks to John Mason, Hilary Arnold, Linda Lawes, Dave Sweeney, Hilary Philbin and Peter Baron for all that they put into the NVA.

Regrettably, Hilary Philbin has resigned from the NVA committee after some 16 years of much valued help, advice and practical assistance in the furtherance of Veteran Fencing. I know that you will join me in thanking her for all that she has done and we will miss her at our meetings.

Our next event is the Christmas Party and NVA 21st Birthday Party at the Ramada Leicester on 29th November. If you haven't sent in your form, please do so as it will be a most enjoyable event.

On Saturday, the fencing starts with foil at 10.00 am, Epee at 12.00 p.m. and Sabre at 2.00 p.m. followed by the Party in the evening – all at the hotel.

After this comes the Age Group Championships in January and the Nationals in March, and your committee is working to constantly improve each event for you.

We are also working on a number of activities and projects and will inform you of these as progress is made.

Thank you for your continued support of the NVA and we look forward to seeing you in the near future

Sincerely

Frank Mills,
Chairman

SELECTION RULE CHANGE

Important Information about the Age Group Qualifiers and Nationals

CHANGES TO SELECTION RULES

A review of the NVA selection rules - last changed in August 2003 - has now been completed. The updated rules are on the website, and come into place with immediate effect.

The purpose of the review was fourfold:

1. To maximise Great Britain's medal-winning potential in representative team events such as the European Team Championships
2. To enable a more detailed comparison and accurate assessment of results when selecting for individual events such as the World Championships
3. To take into account the potential impact of changes to the format of the NVA Championships
4. To incorporate a backlog of minor administrative changes and style/consistency improvements

The significant changes are outlined below.

Team selection

Previously 3 places for each weapon team of 4 were allocated based on the NVA Championships, and 1 place was allocated by the selectors. The new rules allow for 2 places to be allocated by the selectors.

Individual selection

Previously 2 places per weapon category were allocated automatically: 1 to the highest placed fencer in the NVA Championships, and 1 to the highest placed fencer in the Age Group Qualifiers. The new rules allocate automatic places to the **overall winner** of the NVA Championships (if eligible) and the **winner and runner-up** of the Age Group Qualifiers.

Previously other places (* with 1 possible exception) were selected from the highest placed fencers in the current season's NVA Championships and Age Group Qualifiers (which often caused selection difficulties, as many pairs of results were either too similar or too dissimilar to be able to separate easily). The new rules extend the set of results under scrutiny to the **2 most recent** NVA Championships and the **2 most recent** Age Group Qualifiers. In addition any **outstanding** results in the 2 most recent World Championships and the most recent European Championships may be taken into account. (NB: It will not be necessary for a fencer to have competed in all these events.)

* As before, one place **may** be allocated by the selectors to allow for any unusual circumstances (eg - injury).

A printed copy of the selection rules may be obtained by sending an SAE to Hilary Arnold (NVA Secretary).
