

BRITISH VETERANS FENCING

Rules and Regulations

BVF manages the running of Veteran Fencing in Great Britain.

Alongside the Constitution and the Policies, the BVF Rules and Regulations outline the way in which BVF works and ensures good and consistent governance.

The Chairman will arbitrate on any matter arising from the guidelines within these Rules and Regulations.

This document may be altered, subject to Committee approval, in order to reflect any operational changes or to increase effective working.

Membership

Any person of the age 40 years or over in the current membership year shall be eligible to join BVF. In the event of a membership being rejected by the Committee, the applicant will have access to an Independent Appeals Process as defined below.

Any person admitted as a member of BVF must be a member of British Fencing at an appropriate level at the time of sign-up.

Any person admitted as a member of BVF must have an association with the UK or be a member of a recognised UK fencing club.

Fencers who compete in BVF events must hold both BF Compete and BVF membership. These restrictions do not necessarily apply to fencers from abroad who must have comparable membership and insurance from their own domestic organisation.

Independent Appeals Process

The Chairman will appoint a panel of three independent ordinary members of BVF who will establish all the facts and come to a majority decision in writing.

Life Members

Life membership is awarded to BVF members for two reasons:

1. For an outstanding contribution to BVF over many years
2. Once a member reaches the year of their ninetieth birthday.

This category of membership pays no subscription.

Committee members will adopt a stance of corporate responsibility for committee decisions. If a member disagrees with a decision he is entitled to express this view, whilst making it clear it is his/his/her personal view and giving the committee's reasons for why a decision has been taken.

Members of the Committee will act in the interest of the membership and with the underpinning principle of encouraging and promoting veteran fencing.

Subcommittees

The BVF committee agrees the remit of a subcommittee.

Members of a subcommittee are appointed by the BVF committee.

The Chairman of a subcommittee is elected by the subcommittee and is responsible for carrying out the remit. This includes making any reports or recommendations to the BVF committee.
